DETAILED ACTION

Allowable Subject Matter

1. Claims 1-15 are allowed.
2. The following is an examiner's statement of reasons for allowance: The present invention is directed to a method of conducting an information providing service in a network comprising an identifier of an information provider terminal and a service start time indicating a time to start an information providing service, the identifier and the service start time being received from a user of the information providing service; comparing a current time with the service start time stored in the database by a timer provided in the network; and providing an information from the information provider terminal to the user through the network based on the identifier stored in the database, when the service start time stored in the database corresponds to the current time. The closest prior art, Cook (6,522,733) either singularly or in combination, fail to anticipate or render the above underline limitations obvious.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to VIJAY SHANKAR whose telephone number is (571) 272-7682. The examiner can normally be reached on M-F 7:00 am - 4:30 pm.
